

veedubbin @ the beach

12th-14th August

Wish you were here!

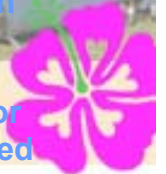

@ the beach is the newest VW show to hit the South West, it is held in Paignton, Devon, right on the sea front.

The show will have its very own auto jumble, trade stalls, for sale section & more. We will also have a show & shine for all VW's, with prizes at stake.

The show & shine is on Sunday, but we have sorted out camping for you to spend the weekend on the English Riviera. We have negotiated very competitive rates for all veedubbers and visitors to the show, visit www.at-thebeach.co.uk or www.bitswap.com for more details.

Bay Cruise

Cruise from the Coast View camp site on Sunday between 9 - 9:30am to Paignton Sea Front
